

# My Street, My Choice!

Don't let Sebastopol be the place where **Democracy Dies** and **Cell Towers Metastasize**.

 **CAUTION**

**Cell Towers 15-50 feet from homes!**

**Full-Power Verizon Cell Towers** are coming to PG&E utility or city-owned light poles on your street. The pole near you **could be next**.

**Safety:** Cell towers on or near fire stations caused **brain abnormalities** in every firefighter examined. **You could be next.**

**Privacy:** Cell Towers this close to homes is a 24/7 surveillance grid. Once Verizon grabs the real estate, **it can increase the power, height, or width and swap out equipment**, without review.

**Property Values:** homes near cell phone towers are **devalued 20-25%**. **Your home could be next.**

## What You Can Do:

Preserve your **health and neighborhoods** by demonstrating **strength in numbers**: please **bring everyone you know** to the **Sebastopol Planning Commission Meeting on Mar 13 at 7:00 pm at 425 Morris St.** Please arrive at 6:45 pm, wear a **white shirt**, and wear a yellow name-tag-size sticker (that we will provide at the meeting) to show support for those who will speak.
2. Visit **mystreetmychoice.com**, go the Sebastopol page, click the **green button** at the top of the page to **complete the form** — which will enter your comment/question into the public record.
3. **Write and call Dana Morrison** at the City of Sebastopol to log your complaint about the hazards of Cell Towers 15-50 feet from homes: 707-823-6167 & dmorrison@cityofsebastopol.org.
