

My Street, My Choice!

Don't let Claremont Canyon be where **Democracy Dies** and **Cell Towers Metastasize**.

Full-Power AT&T Cell Towers are coming to city-owned light poles on our streets. The pole near your home **could be next**.

Property Values: homes near cell phone towers are **devalued 20-25%**. **Your home could be next.**

No Control: Once AT&T grabs the real estate, it can **increase the power, height, or width and swap out equipment**, with no public review. Verizon, T-Mobile & Sprint will grab the other poles.

Unnecessary: No SIGNIFICANT GAP in AT&T coverage in Claremont Canyon — these are **NOT the least intrusive means** to close AT&T gaps in coverage.

Stop Cell Towers on Every Light Pole
