

# -----STOP 5G in DAVIS!!-----

Instead of Planting Trees to Fight “Climate Change”  
Crown Castle & Nexius Wants to Plant  
Microwaving Antennas in Your Front Yard!

**“DAMN”**

**E-waste**

**Conflict minerals**

**Manufactured pollutants**

**Energy hogging wireless devices**

**High energy consuming ‘clouds’**

**Carbon positive ‘smart’ cities**

**High wattage cell towers**

**Always on AI-5G-IoT**

*Please join us for an informative gathering at the Davis Library Blanchard Room*

**November 6, Wednesday 5:30-7:30 pm**

*Joining us will be guest speaker, professional building biologist Eric Windheim @*

*WindheimEMFSolutions.com*
